## Reforming the Family Court

Laura Moys

# Objective:

***“The vision is to modernise and upgrade our justice system so that it works even better for everyone, from judges and legal professionals, to witnesses, litigants and the vulnerable victims of crime. When they have to engage with the system, we want everyone to have available to them the finest justice system in the world.”***

– Joint statement launching the reform programme in September 2016, by the former Lord Chief Justice, the former Senior President of Tribunals and the then Lord Chancellor

The (current) key targets of the Family Reform Programme are:

- Development and introduction of ‘new’ technology for the family court aimed at making the system simpler and more efficient for everyone;
- Improved court estate;
- Consultation regarding enhanced ‘authorised officer’ (legal adviser) functions to lighten the burden on judges
